

For Channel 3 Media to edit, publish or even broadcast the footage of a Person/s or object under your control you are required to fill out this form. The options given to you and anyone else involved give you the complete control over the media used that may concern you and others. This form will also protect you and others from unwanted behaviour as the person/s or object involved have first preference over the media in question (Text/Print, Film/Video, Photographs and Audio).
